

CAPABILITIES

Driven - Experienced - Innovative

Military Infrastructure

We provide temporary and long-term solutions for military FOB's and government contracts.

Storm Logistics

10+ years of experience building lineman camps from 100-2000 man capacity. Apex provides full wrap-around services including sleeping quarters, catering, restrooms, showers, full service laundry, power, HVAC, and more. Our inventory is staged strategically to be onsite promptly when the storm hits.

Trusted Partners

Our network is rooted in trust and dependability. With our strong partnerships and fast-paced team, we are able to source assets for any emergency response.

Proven Track Record

First-class productions from inception to completion. Our staff, equipment, and final products speak for themselves.

Cost Effective

We boldly stand by saving money for the agencies we work with and thoughtfully analyze where costs can be cut without sacrificing the end product.
